

Non-Bank Financial Institutions

Our NBFi workshop is now covered by three separate courses over five days. All courses are case-study based, offering an in depth view of the most relevant topics.

NON-BANK FINANCIAL INSTITUTIONS

Our NBFi workshops have been expanded to three separate courses over five days. You can attend any combination of the three courses to suit your specific requirements.

INDIVIDUAL COURSES

The three courses comprising our NBFi offering are:

[Finance & Leasing Companies Analysis \(1 day\)](#)

[Securities Companies Analysis \(2 day\)](#)

[Regulated Funds & Fund Managers \(2 day\)](#)

Please note that each course is presented on the topics' individual merits and is designed to be a stand alone course.

FINANCE & LEASING COMPANIES ANALYSIS

[Click here to find out more.](#)

A one-day course offering an insight into the credit analysis of captive and independent finance companies and specialist leasing companies. The course uses a structured approach with case-studies tailored to the market where the course is being run.

SECURITIES COMPANIES ANALYSIS

[Click here to find out more.](#)

A two-day course offering an insight into the credit analysis of full service investment banks, broker-dealers and smaller private brokers. The course uses a structured approach with cases that are tailored to the market where the course is being run.

REGULATED FUNDS & FUND MANAGERS

[Click here to find out more.](#)

A two-day course offering a structured approach to the analysis of both local and international regulated funds, pension funds and fund managers. This credit focused course is for analysts and bankers but is also appropriate for a wider audience who need to understand the key risk issues of the fund management industry.
